

CONSULATE GENERAL OF THE
UNITED STATES OF AMERICA
FRANKFURT, GERMANY

August 1, 2006

PRE-SOLICITATION NOTICE

SUBJECT: Reverse Osmosis Water Treatment Units (SGE500-06-R-1072)
American Embassy Nairobi, Kenya

The Regional Procurement Support Office (RPSO) in Frankfurt, on behalf of the United States Department of State, intends to issue a Request for Proposal (RFP) for the purchase and installation of two Reverse Osmosis Water Treatment Units to be installed at the Manda Bay Naval Base, Kenya. The RFP also calls for purchase, delivery and installation as well as training of base personnel in the operation of the units and for follow-on routine and emergency maintenance.

The solicitation package is to be issued on or about August 10, 2006 with offers due with 21 days after issuance. The contract may be awarded within 30 days following the closing of the solicitation.

The requirement is being competed using full and open competition and will result in a commercial items contract.

Companies interested in the requirement shall express their interest via written correspondence to the below e-mail address or by facsimile no later than August 9, 2006.

Sincerely yours,

Kenneth R. Yeager
Contracting Officer
